*“A New Generation of Fitness Professional”*

# NCSF CPT

By enrolling in the NCSF Personal Trainer Course you have made a proactive decision to put yourself in a position to succeed in your defined career path. Earning college credits toward your degree while obtaining your certified personal trainer credential is an intelligent step in creating the foundation for professional success. Passing the NCSF-CPT Exam will distinguish you as a qualified and competent professional and advance your status as an effective practitioner. As a distinctive complement to your college degree, the NCSF-CPT credential will dramatically enhance your marketability to the fitness industry.

It is easy to get started. Simply follow the exam registration steps outlined below as they walk you through the process. Your exam registration for the NCSF-CPT Exam also includes a one year NCSF membership, entitling you to some of the foremost membership benefits in the fitness industry, including discounted professional liability insurance, access to hundreds of job posting in the NCSF Career Center and invaluable Personal Trainer Tools for business on the member only section of the NCSF website. Other membership benefits include discounted training equipment and fitness apparel, as well as toll-free and online technical support from qualified NCSF Instructors.

The **NCSF-CPT** Course is designed to prepare you for successful completion of the NCSF Certified Personal Trainer (CPT) Exam. Through a building-block approach, the course systematically covers the nine content areas of the exam to ensure your success. The NCSF-CPT Exam is administered 6 days/week, year round at over 400 Thomson Prometric Testing Centers, allowing you to take the certification exam whenever you feel prepared. As a student enrolled in the NCSF-CPT Course, you are entitled to a discounted exam fee of \$175. This includes a one-year NCSF Membership (\$55 value) and represents a 30% savings from the standard exam and membership fees. In order to take advantage of this savings program, you must complete the exam registration during the semester in which you are enrolled in this course. Follow the steps outlined in the registration checklist to complete your exam registration and begin taking advantage of the NCSF membership benefits.
